GREENSAND RIDGE RYE CASK GIN

50cl | 40%

We age an adapted version of our London Dry Gin in Rye Whiskey Casks for up to a year to achieve a perfect balance between the complexity of both the gin and the cask's characters. The resulting hybrid is a unique spirit with complexity, smoothness and depth.

A core botanical lineup includes Oak Moss, Cobnuts, Gorse Flowers, Hawthorn, Bay Laurel, Poppy Seeds, Honey, and Rosehips.

Greensand Ridge is an award-winning, carbon neutral distillery specialising in Gins, Rums and Fruit Brandies, making spirits with provenance, using sustainable practices and turning surplus produce from local growers into fine spirits.

TASTING NOTES & SERVES

The aromatic quality of our gin is unmistakable, but citrus is more apparent here, balanced by the cask's warm and complex fruitiness with vanilla and toffee-apple aromas dominating.

Smooth as honey with a silky sweetness and a somewhat astringent spice. Florals emerge in the finish with clean citrus and oak lingering.

PURIST STRAIGHT UP

Served over ice in a rocks glass with a coil of orange zest.

LONG RYE CASK AND GINGER

Serve a generous measure with ginger ale and fresh lime.

CLASSIC NEGRONI

The all time classic gin cocktail, taken to another level with our Rye Cask.

SPICED GREENSAND MARTINEZ

Another great gin cocktail which works particularly well with our Rye Cask. Our recipe with extra oomph.
